

Chapter 2—Stroke Order

<http://kanji.nihongo.cz/home>

<i>Shellfish</i> Diagram showing the stroke order for the character 貝 (貝). The strokes are numbered 1 through 7: 1. top-left vertical line down, 2. top horizontal line right, 3. middle horizontal line right, 4. bottom horizontal line right, 5. bottom horizontal line right, 6. bottom-left diagonal line down-right, 7. bottom-right diagonal line down-right.	<i>Six</i> Diagram showing the stroke order for the character 六 (六). The strokes are numbered 1 through 4: 1. top vertical line down, 2. top horizontal line right, 3. bottom-left diagonal line down-right, 4. bottom-right diagonal line down-right.	<i>King</i> Diagram showing the stroke order for the character 王 (王). The strokes are numbered 1 through 4: 1. top horizontal line right, 2. top vertical line down, 3. middle horizontal line right, 4. bottom horizontal line right.	<i>Jewel</i> Diagram showing the stroke order for the character 玉 (玉). The strokes are numbered 1 through 5: 1. top horizontal line right, 2. top vertical line down, 3. middle horizontal line right, 4. bottom horizontal line right, 5. bottom-right diagonal line down-right.
<i>Heart</i> Diagram showing the stroke order for the character 心 (心). The strokes are numbered 1 through 4: 1. top-left vertical line down, 2. top horizontal line right, 3. middle-left vertical line down, 4. bottom-right diagonal line down-right.	<i>Country</i> Diagram showing the stroke order for the character 国 (国). The strokes are numbered 1 through 8: 1. top-left vertical line down, 2. top horizontal line right, 3. middle-left vertical line down, 4. middle horizontal line right, 5. middle horizontal line right, 6. bottom horizontal line right, 7. bottom-right diagonal line down-right, 8. bottom horizontal line right.	<i>Complete</i> Diagram showing the stroke order for the character 全 (全). The strokes are numbered 1 through 6: 1. top-left diagonal line down-right, 2. top-right diagonal line down-right, 3. middle-left vertical line down, 4. middle horizontal line right, 5. bottom horizontal line right, 6. bottom horizontal line right.	<i>Ten</i> Diagram showing the stroke order for the character 十 (十). The strokes are numbered 1 through 2: 1. top horizontal line right, 2. top vertical line down.
<i>Early</i> Diagram showing the stroke order for the character 早 (早). The strokes are numbered 1 through 5: 1. top-left vertical line down, 2. top horizontal line right, 3. middle horizontal line right, 4. bottom horizontal line right, 5. bottom horizontal line right.	<i>Upper</i> Diagram showing the stroke order for the character 上 (上). The strokes are numbered 1 through 3: 1. top vertical line down, 2. top horizontal line right, 3. bottom horizontal line right.	<i>Lower</i> Diagram showing the stroke order for the character 下 (下). The strokes are numbered 1 through 3: 1. top horizontal line right, 2. top vertical line down, 3. bottom-right diagonal line down-right.	<i>Rice</i> Diagram showing the stroke order for the character 米 (米). The strokes are numbered 1 through 6: 1. top-left diagonal line down-right, 2. top-right diagonal line down-right, 3. middle-left vertical line down, 4. middle horizontal line right, 5. bottom-left diagonal line down-right, 6. bottom-right diagonal line down-right.
<i>Self</i> Diagram showing the stroke order for the character 自 (自). The strokes are numbered 1 through 6: 1. top-left vertical line down, 2. top horizontal line right, 3. middle-left vertical line down, 4. middle horizontal line right, 5. bottom horizontal line right, 6. bottom horizontal line right.	<i>Inside</i> Diagram showing the stroke order for the character 内 (内). The strokes are numbered 1 through 4: 1. top-left vertical line down, 2. top horizontal line right, 3. middle-left vertical line down, 4. bottom-right diagonal line down-right.	<i>Right</i> Diagram showing the stroke order for the character 右 (右). The strokes are numbered 1 through 5: 1. top-left diagonal line down-right, 2. top horizontal line right, 3. middle-left vertical line down, 4. middle horizontal line right, 5. bottom horizontal line right.	<i>Have</i> Diagram showing the stroke order for the character 有 (有). The strokes are numbered 1 through 6: 1. top-left diagonal line down-right, 2. top horizontal line right, 3. middle-left vertical line down, 4. middle horizontal line right, 5. bottom horizontal line right, 6. bottom horizontal line right.
<i>Meat</i> Diagram showing the stroke order for the character 肉 (肉). The strokes are numbered 1 through 6: 1. top-left vertical line down, 2. top horizontal line right, 3. middle-left vertical line down, 4. middle horizontal line right, 5. bottom horizontal line right, 6. bottom horizontal line right.	<i>Half</i> Diagram showing the stroke order for the character 半 (半). The strokes are numbered 1 through 5: 1. top-left diagonal line down-right, 2. top-right diagonal line down-right, 3. middle-left vertical line down, 4. middle horizontal line right, 5. bottom horizontal line right.	<i>Nine</i> Diagram showing the stroke order for the character 九 (九). The strokes are numbered 1 through 2: 1. top-left diagonal line down-right, 2. top horizontal line right.	<i>Spring</i> Diagram showing the stroke order for the character 春 (春). The strokes are numbered 1 through 9: 1. top-left diagonal line down-right, 2. top horizontal line right, 3. middle-left vertical line down, 4. middle horizontal line right, 5. bottom horizontal line right, 6. bottom horizontal line right, 7. bottom horizontal line right, 8. bottom horizontal line right, 9. bottom horizontal line right.
